About the Calgary Pro Musica Society and the Young Artists Development Program

The Calgary Pro Musica Society Young Artists Development Program is intended ***to discover, nurture and promote young Calgary musicians.*** The resources of CPMS allow us to offer unique opportunities in individual instruction, performance and career development for emerging musicians in Calgary. We are looking for players with outstanding talent and a serious commitment to developing themselves as well-rounded musicians. Participants in the Program will receive exclusive instruction from the prestigious CPMS visiting artists, be presented in a fully sponsored and publicized CPMS concert, prepare and perform a series of school concerts with CPMS Artistic Director and receive valuable career development instruction. We will also provide scholarship support to the winning individuals or pre-formed ensemble. Scholarships will be used to fund the student's regular individual instruction. Depending upon the audition results, there will be 2 to 6 students in the program per season.

The Calgary Pro Musica Society is a registered non-profit chamber music presenter with the mandate ***to promote chamber music in the city of Calgary and region.*** We believe chamber music can enrich the lives of Calgarians and help develop talent in our youth. CPMS presents a five concert subscription Series of the finest chamber ensembles in the world. The 2011 - 2012 Season includes performances by Trio Solisti, St. Lawrence String Quartet, Cecilia String Quartet, Chamber Music Society of Lincoln Center, Ebéne Quartet and Stile Antico. CPMS also presents performance classes, lectures, family concerts and other educational events through its Talmon Hertz Legacy Series.
